

As from the Scholastic Year 2022-2023, the *Association des Professeurs de Français de Malte* (APFM) is organising the *Prix Anne Borg*

- ◆ Members of APFM are encouraged to participate in the *French is Fun Day* competition by sending us photos/videos of their activities accompanied by a brief write-up to show their dedication, motivation and commitment whilst teaching French.
- ◆ This year *French is Fun Day* will be linked to the *Prix Anne Borg*. All the teachers participating in the *French is Fun Day* will be automatically eligible to receive the *Prix Anne Borg*.
- ◆ Teachers who intend to participate in the *French is Fun Day* can contact us on apfmalte@gmail.com. Deadline to send last activities is 30th April 2023.
- ◆ The Committee will then select 3 most dedicated teachers depending on the effort required to organise their *French is Fun* activity or activities.
- ◆ Members of APFM will vote for the teacher who deserves this prize.
- ◆ The winner will receive 100 euros to buy French resources and a trophy will be presented in November 2023 on the occasion of the *Journée Internationale du Professeur de Français*.
